The Agency, pursuant to the certification of the Public Employment Relations Board, Certification No. C-4043, recognizes the Union as the sole and exclusive bargaining unit agent for all Agency employees included in the bargaining unit by said PERB Certification for the purpose of negotiating collectively under the Taylor Law. Those positions specifically excluded from the bargaining unit pursuant to the mutual agreement of the parties hereto as described in PERB Certification C-4043 are set forth in "Exhibit 1" hereof and specifically incorporated by reference herein.

ARTICLE 3 - DUES CHECK-OFF

A. The Agency agrees to deduct from the wages of employees and remit to the Union regular membership dues for those Agency employees who sign authorizations permitting such payroll deductions.
In addition, to the extent required by law, the Agency shall recognize agency shop and deduct from all other employees in the unit after thirty (30) days of employment an agency shop fee equal to the amount of regular membership dues.

The deductions shall be made bi-weekly from the employee's paycheck and shall be remitted to the Union along with a list of the names (and amounts) for whom deductions have been made. If the employee has no earnings due for that pay period, the Union shall be responsible for collecting said dues. The Union agrees to refund to the Agency any amount paid to the Union in error on account of this dues deduction provision. The Union may change the fixed percentage amount which shall be considered the regular monthly union dues once each year during the life of this Agreement. The Union will give the Agency thirty (30) days notice of any such change in the fixed percentage amount of uniform union dues to be deducted.

B. The Union shall indemnify, defend and save the Agency harmless against any and all claims, demands, suits, or other forms of liability (monetary or otherwise) and for all legal costs that shall arise out of or by reason of action taken or not taken by the Agency in complying with the provisions of this Article, provided that the Union shall control the defense of such claim, including the settlement thereof, choose counsel who the parties agree may represent both the Agency and the Union even if the Agency and the Union are not joined as parties. The Agency agrees to cooperate in any such defense provided the nature of the cooperation is reasonable. Notwithstanding anything to the contrary contained in this paragraph, in the event that the Union fails to provide such a defense as required by this paragraph for any reason whatsoever, the Agency shall have the right upon reasonable notice to the Union to hire its own counsel and take all necessary actions to dispose of any claims arising under this Article, all without the consent of the Union, and the Union agrees to indemnify and hold harmless the Agency from all reasonable costs of disposing of any such claims, demands, suits, or other
forms of liability (monetary or otherwise) including, without limitation, reasonable legal costs.

C. If an improper deduction is made, the Union shall refund directly to the employee any such amount.

ARTICLE 4 - UNION V-CAP DEDUCTIONS

A. During the life of this Agreement, the Agency agrees to deduct from the pay of each employee voluntary contributions to UAW V-CAP, provided that each such employee executes or has executed the "Authorization for Assignment and Checkoff of Contributions to UAW V-CAP" form; provided further, however, that the Agency will continue to deduct the voluntary contributions to UAW V-CAP from the pay of each employee for whom it has on file an unrevoked "Authorization for Assignment and Checkoff of Contributions to UAW V-CAP" form.

Deductions shall be made only in accordance with the provisions of and in the amounts designated in said "Authorizations for Assignment and Checkoff of Contributions to UAW V-CAP" form, together with the provisions of this Article of the Agreement.

A properly executed copy of the "Authorization for Assignment and Checkoff of Contributions to UAW V-CAP" form for each employee for whom voluntary contributions to UAW V-CAP are to be deducted hereunder, shall be delivered to the Agency before such deductions are made, except as to employees whose authorizations have heretofore been delivered. Deductions shall be made thereafter, only under the applicable "Authorization for Assignment and Checkoff of Contributions to UAW V-CAP" forms which have been properly executed and are in effect.

Deductions shall be made, pursuant to the forms received by the Agency, from the employees first union dues period in the first month following receipt of the checkoff
authorization card and shall continue until the checkoff authorization is revoked in writing.

The Agency agrees to remit said deductions promptly to UAW V-CAP, care of the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America (UAW). The Agency further agrees to furnish UAW V-CAP with the names of those employees for whom deductions have been made. The Agency further agrees to furnish UAW V-CAP with a monthly and year-to-date report of each employee's deductions. This information shall be furnished along with each remittance.

B. The Union shall indemnify, defend and save the Agency harmless against any and all claims, demands, suits, or other forms of liability (monetary or otherwise) and for all legal costs that shall arise out of or by reason of action taken or not taken by the Agency in complying with the provisions of this Article, provided that the Union shall control the defense of such claim, including the settlement thereof, choose counsel who the parties agree may represent both the Agency and the Union even if the Agency and the Union are not joined as parties. The Agency agrees to cooperate in any such defense provided the nature of the cooperation is reasonable. Notwithstanding anything to the contrary contained in this paragraph, in the event that the Union fails to provide such a defense as required by this paragraph for any reason whatsoever, the Agency shall have the right, upon reasonable notice to the Union, to hire its own counsel and take all necessary actions to dispose of any claims arising under this Article, all without the consent of the Union, and the Union agrees to indemnify and hold harmless the Agency from all reasonable costs of disposing of any such claims, demands, suits, or other forms of liability (monetary or otherwise) including, without limitation, reasonable legal costs.

C. If an improper deduction is made, the Union shall refund directly to the employee any such amount.

A. The Agency and the Union agree that, except as otherwise provided in this Agreement, all benefits accruing under this Agreement shall be effective as of May 1, 2011. Each benefit of this Agreement shall be for a period commencing on the effective date of such benefit, as provided in this Agreement, and ending on April 30, 2021. In the event a new Agreement has not been signed by April 30, 2021, the terms of this Agreement shall remain in effect until a new Agreement has been signed.

B. Unless specifically stated to the contrary in this Agreement, the Union and the Agency agree that all Amendments incorporated into the Agreement shall have an effective date of June 28, 2016 and shall apply prospectively only from that date.

ARTICLE 6 - NEGOTIATION COMMENCEMENT

The Agency and the Union agree that negotiations for the period commencing May 1, 2021 shall begin February 1, 2021.

ARTICLE 7 - COVERAGE OF AGREEMENT

ARTICLE 8 - ALTERATION OF AGREEMENT

No agreement, alteration, waiver or modification of any of the terms and conditions contained in this Agreement shall be made by any employee or group of employees with the Agency and in no case shall it be binding upon the Agency or the Union unless made and executed in writing. It is agreed and understood that this Agreement constitutes the complete understanding by the parties.
ARTICLE 9 - COMPLETE AGREEMENT

This Agreement represents the complete collective bargaining and full agreement by the parties in respect to rates of pay, wages, hours of employment and other conditions of employment not reserved to the Agency pursuant to Article 10 (Management Rights) hereof, or pursuant to applicable law. The Agency agrees, to the full extent required by law, to maintain all rates of pay, wages, hours of employment or other conditions of employment set forth in this Agreement and/or described in the SONYMA Personnel Manual as of the date of this Agreement unless modified by this Agreement; and/or any written agreement by and between the Agency and the Union which by its terms has not expired. The parties have participated jointly in the negotiation and drafting off this Agreement. In the event a question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the parties, and no presumption or burden of proof shall arise in favor of or against any party by virtue of the authorship of any provision of the Agreement.

ARTICLE 10 - MANAGEMENT RIGHTS CLAUSE

Except as expressly limited by other provisions of this Agreement, all of the authority, rights and responsibilities possessed by the Agency are retained by it, including, but not limited to, the right to determine the mission, purposes, objectives and policies of the Agency; to determine the facilities, methods, means and number of personnel required for conduct of Agency programs; to administer the Agency's personnel system including the examination, selection, recruitment, hiring, appraisal, training, and probationary periods; to determine the amount of overtime to be worked and the assignment of such overtime, retention, promotion, assignment, layoffs, transfer of employment pursuant to law and payment of merit increases (both as to amount and eligibility); to direct, deploy and utilize the workforce including, without limitation, the Agency's unrestricted and unlimited continuation of the right to contract out work; to

The Union warrants, represents and agrees that it will cooperate in and not contest any application made by the Agency to the Public Employment Relations Board or its successor to designate the position of Benefits Administrator as management/confidential after the current incumbent (as of April 1, 2005) leaves that position.

ARTICLE 11 - NO DISCRIMINATION

Neither the Agency nor the Union shall discriminate on the basis of race, creed, color, religion, national origin, age, sex, physical or mental handicap, marital status, citizenship status, veteran status, or sexual orientation. There shall be no discrimination against any employee because such employee has formed, joined, or chosen to be represented by the Union.

Claims of discrimination shall not be subject to review under the provisions of Article 38 of this Agreement (GRIEVANCE PROCEDURE).

ARTICLE 12 - SALARY AND PAY PLAN

A. Unless specifically agreed to the contrary by the parties, subject to all limitations contained in this Article, eligible employees shall receive:

C. Downstate Adjustment

Eligible employees who are regularly assigned to work in New York City, Nassau, Rockland, Suffolk and Westchester will receive a Downstate Adjustment of $3,026. The payment will be prorated over the twenty-six (26) payroll cycles that the
employee is eligible. The amount will not be included as part of an employee's base salary.

D. The following definitions shall apply to this Article:

(1) The term "employee" shall mean regular salaried employees as that term is defined in Article 45 of this Agreement. Notwithstanding the preceding sentence, the term employees shall include regular salaried employees, otherwise eligible, temporarily working part-time, with any payments due such eligible employee pursuant to this Article pro-rated accordingly.

(2) The term "classification band" (sometimes referred to as "Bands"), as used in the Pay Plan and in this Article shall mean the grouping of SONYMA titles or positions in the Pay Plan for which there has been assigned a minimum and maximum annual base salary in accordance with the January, 1995 Classification Study prepared by the Agency ("Classification Study").

(3) The term "annual base salary" shall mean base wages only and shall not include overtime or any other types of compensation.

(4) The term "general wage increase" shall refer to the across the board wage increases set forth in paragraphs A.2. - A.10. above.

(5) The term "merit increase" shall mean increases in annual base salary based on merit and granted at the discretion of the Agency.

(6) The term "Off Base Cash Payment" shall mean a one-time non-recurring increase in compensation in lieu of and as a substitute for a general wage increase, or a portion thereof, said compensation to be pro-rated over a one (1) year period commencing with the effective date of the general wage increase in four (4) equal installments and to be paid quarterly over said one (1) year period, provided, however, any employee whose employment terminates during said one (1) year period shall
receive a pro-rata share of the quarterly payment due for the quarter during which the payment would have been payable based on the date of termination.

E. Except as otherwise provided in this Article, the SONYMA Pay Plan ("Pay Plan"), a copy of which is attached hereto as "Exhibit 2", and specifically incorporated by reference herein, shall be effective May 1, 2007. Except as specifically provided to the contrary in the side letter executed herewith, all employees in the bargaining unit on the date of each scheduled increase set forth in Paragraph A. above shall be paid in accordance with the Pay Plan. The parties agree that the base annual salaries of employees set forth in the Pay Plan, as modified by the wage increases set forth in Paragraph A hereof, shall be subject to correction of arithmetical errors.

(1) Pursuant to the Agency's Classification Study, the title or position of each eligible employee has been assigned by the Agency to a classification band, which classification bands have been incorporated into the Pay Plan. Each classification band in the Pay Plan has a minimum and maximum salary.

(a) Effective May 1, 1995, no employee shall be paid an annual base salary lower than the minimum annual base salary set forth in the Pay Plan for the classification band to which the employee's title or position has been assigned, except as specifically agreed to the contrary in the side letters set forth in Exhibits 3 and 4 herein.

(b) Except as specifically provided in subparagraph C(1)(c) below, and paragraph E below, no employee shall be paid an annual base salary higher than the annual maximum base salary set forth in the Pay Plan for the classification band to which the eligible employee's title or position has been assigned.

(c) The Pay Plan's implementation shall not operate to decrease any employee's annual base salary in effect on the effective date of the Pay Plan's implementation.
(2) The Agency shall have the right to unilaterally establish and modify the classification bands set forth in the Pay Plan, including the right to increase or decrease the total number of classification bands or make other modifications thereto, provided that no employee's annual salary shall be reduced by such change. In addition, the Agency agrees to negotiate with the Union over the minimum and maximum salary of any new or modified classification band.

(3) The Agency expressly reserves the right to assign, in its sole discretion, new titles or positions to any classification band it deems appropriate and to assign and/or reassign existing titles or positions to different classification bands provided that no employee shall have his or her individual title or position reassigned to a lower classification band, except as otherwise provided in this Agreement.

(4) Neither the aforesaid reservation of rights, nor anything to the contrary contained in this Article 12 or the Pay Plan, shall be construed as a limitation on rights reserved to the Agency in the Management Rights Clause set forth in Article 10 of this Agreement, including without limitation to the foregoing, the right to unilaterally: establish the annual base salary for new employees hired by the Agency and for new titles or positions created by the Agency; establish a new annual base salary for a promoted employee within the employee's current classification band; establish a new annual base salary for a promoted employee and to reassign the employee to a higher classification band; establish a new annual base salary for an employee in connection with the transfer of such employee to another position or title or the assumption by the employee of new and/or additional duties and to reassign the employee to a higher classification band; and increase the annual base salary of an employee by the granting, in accordance with the limitations of this Article, of a merit increase.

(5) The Pay Plan shall be revised by the Agency to reflect all personnel actions affecting it, including without limitation, the changes described above in subparagraphs (3) and (4), and to delete employees no longer employed by the Agency
as of the date of their separation from service. Copies of the Pay Plan, as revised, shall be provided to the Union not less than quarterly.

(6) The annual base salary minimum and maximum for each classification band of the Pay Plan shall remain in effect for the term of this Agreement. The annual base salary minimum and maximum set forth for each classification band of the Pay Plan shall not be increased by the amount of any general wage increase.

F. Except as expressly provided in paragraph G below, no employee shall receive a general wage increase, or portion thereof, that has the effect of increasing the eligible employee's annual base salary above the maximum annual base salary for the classification band to which the eligible employee's title or position has been assigned. In lieu of any such general wage increase, or portion thereof, and in substitute thereof, the affected employee shall be paid a single one-time non-recurring Off Base Cash Payment equal to one (1) year's cash equivalent of said general wage increase based on the affected eligible employee's annual base salary as of the date of the general wage increase, or the portion of said general wage increase that causes the affected employee's annual base salary to exceed the maximum of the applicable classification band. Said Off Base Cash Payment shall be pro-rated over a one (1) year period commencing with the effective date of the general wage increase and paid in four (4) equal quarterly installments. An otherwise eligible employee must be a regular salaried employee of the Agency on the date a quarterly payment is due in order to be eligible for such payment provided, however, any employee whose employment terminates during said one (1) year period shall receive a pro-rata share of the quarterly payment due for the quarter during which the payment would have been payable based on the date of termination. By way of example, and not limitation, eligible Employee "A" has an annual base salary of $20,000. The maximum annual base salary of eligible Employee "A"'s classification band is $18,000 (i.e. eligible Employee "A" is above the maximum). The contract provides for a general wage increase of 5% on January 1, 2000. Eligible
Employee "A" receives a single, one-time non-recurring Off Base Cash Payment" of $1,000 which the Agency will pay in four (4) quarterly installments of $250 each to Employee "A" commencing on January 1, 2000 and terminating December 31, 2000, provided eligible Employee "A" is employed by the Agency on the date the quarterly payment is due. In the event Employee "A" resigns on November 1, 2000, the final $250 payment due for the period October through December would be pro-rated.

G. Notwithstanding anything to the contrary contained herein, an employee's annual base salary may exceed the maximum annual base salary of the classification band to which the employee's title or position has been assigned by the cumulative amount of any merit increases awarded to the eligible employee by the Agency to a cumulative maximum of 12% above the maximum annual base salary for the applicable classification band. The amount of any general wage increase, or portion thereof, exceeding the maximum annual base salary of an applicable classification band, as modified by merit increases in accordance with the terms of this paragraph, shall be paid as an Off Base Cash Payment in accordance with paragraph D above.

ARTICLE 13 - DEFERRED COMPENSATION PLAN

To the extent permitted by law, the Agency agrees to continue, and employees are entitled to participate in, the existing Deferred Compensation Plan, under which an employee may currently elect to have a portion of his/her annual gross salary withheld on a pre-tax basis up to the maximum permitted by law. Notwithstanding anything to the contrary in this Article, this Article shall be administered in accordance with all laws governing deferred compensation plans, and, in the event of any inconsistency between the terms of such laws and the terms of this Article, such laws shall be controlling.

ARTICLE 14 - OVERTIME

A. Overtime work performed by eligible employees beyond the regularly scheduled work hours must be pre-authorized and pre-approved by the appropriate
Senior Vice President of the Agency or the Chief Operating Officer. All eligible employees in titles listed in Bands I-V of the SONYMA Pay Plan, a copy of which is attached hereto as "Exhibit 2" and specifically incorporated by reference herein, shall be eligible for overtime.

B. Compensation for overtime is payable at the employee's straight time pay rate up to 40 hours actually worked; over 40 hours actually worked, overtime shall be compensated by the Agency at one and one half times (1-1/2X) the employee's regular pay rate.

C. Saturday and Sunday overtime shall be compensated at one and six tenths times (1.6X) the employee's straight time pay rate. By way of example, if the employee's hourly rate of pay is $10.00 per hour, then the overtime rate would be $16.00 per hour ($10.00 X 1.6 = $16.00). Holiday overtime is compensated at seven and one-half (7 ½) hours plus an additional seven and one-half (7 ½) hours, or time worked, unless the Agency allows the holiday to be substituted for another day off by the employee, in which case the holiday shall be treated as an ordinary work day on the time sheet.

ARTICLE 15 - COMPENSATORY TIME

A. Employees not entitled to overtime under this Agreement shall be entitled to compensatory time only when an employee is mandated to work on Holidays or weekends, and is specifically working on SONYMA conferences, workshops, or exhibits or is inspecting or auditing a specific project. Seminars are not eligible for compensatory time.

B. Prior approval for compensatory time must be approved by memo from the department head and Director of Human Resources. Compensatory time is allowed up to seven and one-half (7 ½) hours per day. The approval memo must be sent by the employee to the Human Resources Department and must include the day(s) worked.
The employee must use the compensatory time within two (2) pay periods of the time worked, or such time shall be lost.

**ARTICLE 16 - HOURS OF WORK**

A. The Agency's regular work hours shall be Monday through Friday from 9:00 a.m. to 5:00 p.m. with a total of one hour for lunch and breaks, provided, however, that existing established deviations in starting and ending times may be continued. The normal workweek shall be 37 1/2 hours. The normal workday shall be 7 1/2 hours.

B. At the request of the employee, variations from this schedule shall be permitted at the discretion of the Agency and subject to all limitations and requirements concerning the granting of limited flextime schedules hereinafter set forth at paragraph C of this Article.

C. Limited flextime is a system that allows employees the opportunity to request varying starting and finishing work time schedules surrounding regular hours. The object of limited flextime is to allow for certain special needs of parenting, for health and for other related purposes. These objectives must always take into consideration the Agency's needs, which must at all times come first.

D. Limited flextime schedules can be arranged between supervisors and employees when the following rules are complied with. All limited flextime must conform to the Agency's standard 37 1/2 hour workweek schedule. Flextime requests must:

1. be in written form and requested in a formal memorandum or a form provided by the Agency to the immediate supervisor; and
2. be for a maximum time of one (1) calendar year; and
3. have the approval of the immediate supervisor as well as that of the Vice President of the respective unit and the Director of Human Resources.

E. Limited flextime schedules will only be approved after each supervisor, Vice President, and the Director of Human Resources are satisfied that Agency services are
adequately being attended during normal Agency work hours (9:00 a.m. - 5:00 p.m.),
Monday through Friday.

F. All employees who are approved for limited flextime must take at least one
half hour lunch every workday. Flextime arrangements shall never violate the minimum
lunch-break.

The Agency reserves the right to cancel either temporarily or permanently any
approved limited flextime schedule should it become necessary to its interest, its
operations and the services it must provide as a public corporate body.

G. Break-Time for Smoking. Employees desiring to take smoke breaks (all
smoke breaks must be taken outside the Agency’s premises and otherwise in
accordance with applicable law) shall be limited to two such breaks per day (in addition
to 1 hour lunch break), one in the morning and one in the afternoon, that shall not
exceed 15 minutes per break in duration. Employees desiring to take such breaks shall
arrange in advance a mutually agreeable time(s) for such breaks with the employee’s
department or unit head. Notwithstanding anything to the contrary contained in this
Agreement, any break-time taken pursuant to this paragraph shall be made-up by the
employee without additional compensation at the beginning or the end of what would be
the employee’s normal work day. By way of example, and not of limitation, an employee
who takes two 15 minute breaks pursuant to this paragraph during the normal workday

The Union and the Agency agree that, effective May 1, 2005, any employee

Such employee shall also be required to logon to the computer assigned to him or her by the Agency and personally execute the e-mail (or electronic equivalent) procedure established by the Agency for the purpose of confirming the employee's commencement and termination of the break provided for in this paragraph. Any employee covered by this paragraph who is not assigned a computer by the Agency, shall be assigned a specific computer for the purposes of complying with this requirement. Repeated and/or willful failure of an employee to comply with the requirements of this paragraph, as determined by the Agency, shall result in the loss of entitlement to the breaks provided for in this paragraph and possible disciplinary action.

H. Employees taking partial days off must actually work at least 3.5 hours of the day in order to be entitled to a paid lunch break.

ARTICLE 17 - SICK LEAVE

A. Effective May 24, 2001, each employee shall receive an Annual Sick Leave allowance of three hours and forty-five minutes (3:45) per pay period.

C. The Human Resources Department shall audit absences and identify, monitor and report potential abusers (i.e. absences occurring on Mondays, Fridays, before or after holidays or taking the same day off every week) of the sick leave policy. An attendance record for each employee shall be kept by the Human Resources Department. Information on an employee's attendance shall be taken off his/her time sheet and recorded biweekly. At the end of each quarter, supervisors will be informed in
writing by the Human Resources Department of employee(s) who may be potential abusers of the policy and in need of counseling.

D. In the event of illness, lateness or other emergency, the employee must telephone the supervisor or the appropriate senior staff member by 9:30 a.m.

E. Regular employees may accrue an unlimited amount of unused sick leave during their employment with the Agency. Unused sick leave balances are not payable at an employee's termination.

F. The Annual Sick Leave allowance may be utilized by the employee for the employee's own illness. Effective May 1, 2001, an employee shall be allowed to charge absence from work in the event of death or illness in the employee's immediate family against accrued sick leave credits up to a maximum of fifteen (15) days in any one calendar year. Request for leave for family illness shall be subject to approval of the appropriate Agency executive; such approval shall not be unreasonably withheld.

H. All employees shall have on file with the Human Resources Department the name, address and telephone number of a person to contact in the event of an emergency.

**ARTICLE 18 - PERSONAL LEAVE**

A. **Employees Hired on or after May 24, 2001.** Effective May 24, 2001, there shall be 37 ½ hours (5 days) of personal leave granted to each employee hired on or after May 24, 2001 at the commencement of the employee's employment with the Agency and thereafter on the employee's anniversary date.

B. **Employees Hired on or after January 1, 1984 but before May 24, 2001.** Employees hired on or after January 1, 1984 but before May 24, 2001 shall receive on
January 1, 2002 a pro-rated number of personal leave hours equating to the portion of the year between January 1, 2002 and the employee's 2002 anniversary date. On the employee's 2002 anniversary date, and on every anniversary date thereafter, the employee will receive 37 ½ hours (5 days) of personal leave.

Example:
- The employee has an anniversary date of 4/20 in 2002;
- The number of days between 1/1/2002 and 4/20/2002 is 110;
- \( \frac{110}{365} = .30137; \)
- 37 ½ hours (a full year's accrual amt) \( \times .30137 = 11.3 \) hours;
- The employee will accrue 11.5 hours of personal leave on 1/1/2002 (the result is rounded up to the nearest quarter hour);
- On 4/20/2002, and on every 4/20 thereafter, the employee will accrue 37 1/2 hours of personal leave.

C. Employees Hired prior to January 1, 1984. Effective May 24, 2001, employees hired prior to January 1, 1984 shall accrue a pro-rated number of personal leave hours equating to the portion of the year between May 24, 2001 and the employee's next anniversary date. On said anniversary date, and on every anniversary date thereafter, the employee will accrue 37 1/2 hours (5 days) of personal leave.

Example:
- The employee has an anniversary date of 6/12 in 2001;
- The number of days between 5/24/2001 and 6/12/2001 is 20;
- \( \frac{20}{365} = .05479; \)
- 37 ½ hrs. (a full year's accrual amt) \( \times .05479 = 2.05 \) hours;
- The employee will accrue 2.25 hours of personal leave on 5/24/2001 (the result is rounded up to the nearest quarter hour);
- On 6/12/2001, and on every 6/12 thereafter, the employee will accrue 37 1/2 hours of personal leave.

D. Personal leave is intended for use in absences due to medical and dental appointments, marriage, religious holidays, moving or other personal matters that cannot be scheduled after regularly scheduled working hours. Unused personal leave will be added to vacation accruals on the employee's anniversary date but not in excess of the
maximum set forth in Article 20 of this Agreement. Except in emergencies, advance approval of five (5) days is required. Personal leave may be taken in quarter hours.

**ARTICLE 19 - BEREAVEMENT LEAVE**

An employee shall receive three (3) days leave in the event of a death in the immediate family. Immediate family for the purpose of this Article shall mean: spouse, domestic partner, parent of employee or spouse, child, brother, sister or a relative who is a member of the immediate family. 7th year  (3:45 hours every pay period) +7 days on 7th anniversary date;
8th year & beyond (5:45 hours every pay period)+ 1/4 hour on the last pay periods in June and December of each year.

*Continuous State and/or Agency service means uninterrupted State and/or Agency service, in pay status, as an employee. A leave of absence without pay, or a resignation followed by reinstatement or re-employment in State and/or Agency service within one (1) year following such resignation, shall not constitute an interruption of continuous State and/or Agency service for the purposes of this Article, provided; however, that leave without pay for more than six (6) months, or a period of more than six (6) months between resignation and reinstatement or reappointment, during which the employee is not in State and/or Agency service, shall not be counted in determining eligibility for additional vacation credits under this Article.

Any employee hired on or after May 24, 2001 who completes fifteen (15) years of continuous State and/or Agency service shall be credited with additional vacation on that date in accordance with the schedule of additional vacation credit set forth above and upon the completion of each additional twelve (12) months of continuous State and/or Agency service.

D. The employee must obtain approval for vacation, using the Leave Request Form at least one week (5 days) prior to the date of the projected vacation. The approval of the supervisor and the appropriate senior officer is required, after which the form is forwarded to Human Resources. In the case of emergencies, the employee may be exempted from this advance approval requirement.

E. The employee may use annual leave to observe special or religious holidays.

F. The employee may request approved vacation to be paid in advance. In order to receive a vacation advance, the employee must: (1) have the amount of time
requested available on the books as accrued annual leave; and (2) submit the request in writing to his/her supervisor at least four (4) weeks before the scheduled vacation.

G. Negative leave balances by employees shall not be permitted.

H. On the approval of senior management, accrued leave from prior government employment in New York State may be credited to the leave balance of new SONYMA employees, only when the amount of the leave is verified in writing by the former employer.

I. Effective August 15, 1991 individuals transferring into SONYMA from continuous state service governed by the New York State Civil Service Attendance and Leave Rules, or from a comparable or quasi-state agency will be given the anniversary date commensurate with their total state service and will be eligible to accrue and use Vacation (Annual) Leave based on that date.

J. An employee may not take more than three (3) consecutive weeks of Annual Leave at one time. Exceptions to this general rule are considered by the Agency on a case-by-case basis.

K. Effective May 1, 2001, an employee must be in pay status at least seven (7) full days in a pay period to be entitled under this Article to accrue the applicable leave accrual amount provided for in paragraphs B and C hereof.

L. Effective May 1, 2001, an employee must be employed by the Agency at least 6 months before being eligible to utilize vacation leave accrued by the employee pursuant to this Article.

M. Vacation requests (or combined vacation day(s) and personal day(s) requests) of two calendar weeks or more must be submitted at least thirty (30) days prior to the start date of the leave except in extenuating circumstances and such leave shall not be unreasonably denied.
ARTICLE 21 - HOLIDAYS

A. The Agency will observe the following holidays:

2. Martin Luther King's Birthday
3. Lincoln's Birthday
4. President's Day (Formerly Washington's Birthday)

6. Independence Day
7. Labor Day
8. Columbus Day
9. Election Day
10. Veteran's Day
11. Thanksgiving Day
12. Day after Thanksgiving
13. Christmas Day

B. An employee not entitled to overtime shall be entitled to compensatory time off for holidays worked during the term of this Agreement (Holiday Leave).

C. Generally, when a recognized Agency holiday falls on a Saturday, the preceding Friday will be celebrated. When a holiday falls on a Sunday, the following Monday shall be celebrated.

ARTICLE 22 - EXCUSED LEAVE

The Agency agrees that on those days when an employee cannot report to work due to conditions beyond his or her control, i.e., inclement weather, transit strike, power failure, etc., such days, at the discretion of the President of the Agency, will not be charged to accruals.
ARTICLE 23 - TRANSPORTATION EMERGENCY

In the event a power failure, inclement weather, transit strike, etc., prevents an employee from traveling from the office to home, the Agency will provide overnight lodging and subsistence in New York City at the current travel reimbursement rates, provided that the presence of the employee in the office for the subsequent working day is essential and is requested by the appropriate Agency executive.

ARTICLE 24 - LEAVES WITHOUT PAY: LEAVE OF ABSENCE

A. Limitation on Leave. An employee may not take more than a total of four (4) months leave, or combinations of leave, of any kind, in any twelve (12) month period with the sole exception of child-care leave set forth in section C of this Article. An employee taking child-care leave may not take more than a total of seven (7) months leave, or combinations of leave of any kind, in any twelve (12) month period, of which no more than a total of four (4) months leave may be for anything other than child-care leave. To the extent allowed by law, all leave provided by the Agency, whether paid or unpaid, is to be considered leave provided by the Family and Medical Leave Act and shall be taken concurrently with any Family and Medical Leave Act leave so that the maximum leave allowances of four (4) or seven (7) months as hereinabove described in this paragraph A above are not exceeded. The Agency agrees to continue to make health insurance contributions in accordance with the terms of this Agreement during all periods an employee is on authorized leave pursuant to this Article.

(1) A regular employee on an approved leave of absence will be considered to have voluntarily terminated employment if he/she:

(a) Fails to report to work at the conclusion of the leave; or

(b) Refuses to accept the position offered by the Agency upon his/her return to work.

1. The employee must be a regular salaried employee;
2. The employee must use any accrued personal leave, vacation leave, sick leave and any sick leave at half pay (if eligible) before the disability leave commences;
3. The employee must fully complete and submit to the Human Resources Department a completed disability leave of absence request form within five (5) working days from the onset of the disability; and
4. Along with the fully completed disability leave of absence request form, the employee must provide medical documentation and support, confirming the existence of the disability; that the employee is temporarily completely unable to work; and an estimate of the date the employee will be able to return to work and perform his/her usual work. The Agency also reserves the right to have the employee examined by an Agency physician;
5. The employee shall not be totally disabled. In the event that the employee becomes totally disabled while on disability leave of absence, said leave shall automatically terminate on the date of total disability.

Upon return from an approved disability leave, the employee must present to the Human Resources Department a written authorization acceptable to the Agency from the employee's physician stating that he/she is fully able to work. The employee shall not be permitted to return to work without such authorization. The Agency reserves the right to have the employee examined by an Agency physician. When the employee wishes to return from approved disability leave, the Agency shall place the employee in the position held by the employee prior to the leave of absence or in an equivalent position for which he/she is qualified.
C. Child care Leave (without pay). The Agency agrees to grant to employees who have been employed for at least one (1) year, and upon the approval of the President/CEO, child care leave, without pay, of not more than seven (7) consecutive months. This leave shall only be granted to employees who wish to care for their minor children. This leave shall only be granted once for each child and must be taken in consecutive months.

(1) Sick and annual leave credits may be used by the employee prior to the commencement of child care leave. All accruals cease on the date the leave commences. Prior to commencement, the Personnel Payroll Action Form must be completed and signed by the President/CEO, indicating the change in employment status.

(2) When the employee wishes to return from approved child care leave, the Agency shall place the employee in the position held by the employee prior to the leave of absence or in an equivalent position for which he/she is qualified.

(3) Notwithstanding anything to the contrary contained in this Article, Child-Care Leave in excess of the employee's FMLA leave maximum entitlement shall be granted by the Agency only upon demonstration by the employee of the birth of a child, adoption, foster care placement or other appropriate need as determined by the Agency.

D. Emergency Personal Leave (without pay). Upon completion of an employee's probationary period, regular employees are eligible to request a leave of absence without pay for compelling and valid reasons.

(1) If an employee shall require an emergency leave, the department head and President/CEO may approve a period up to one (1) month's leave of absence without pay for compelling and valid reasons. Additional time requested for cases of extreme emergency shall be reviewed by the Agency on an individual basis.
(2) All requests for leave shall be in writing, stating the reason for the requested leave, date of beginning and expected date of return. Annual leave credits must be used until exhausted prior to commencement of Emergency Personal Leave. Leave accruals shall not be affected by use of Emergency Personal Leave except that leave shall not accrue during all periods that the employee is on Emergency Personal Leave.

E. Family and Medical Leave (without pay). Employees who have been employed by the Agency for twelve (12) months and have been employed for at least 1250 hours during those twelve (12) months are eligible to take up to twelve (12) weeks of unpaid leave in a twelve (12) month period as provided by the Family and Medical Leave Act for the following reasons: the birth or placement of a child for adoption or foster care; to care for the serious health condition of the employee or the employee’s spouse, child or parent.

(1) A "rolling date" shall be the method of calculation of the twelve (12) month period during which the Family and Medical Leave Act leave may be taken. Upon an employee’s request for leave under the Family and Medical Leave Act, the Human Resources Department will review that employee’s leave taken during the preceding twelve (12) month period to determine the amount of Family and Medical Leave Act leave to which the employee is entitled.

(2) An employee is not required to, but may use all, or any part, of accrued annual, personal and sick leave before receiving unpaid Family and Medical Leave Act leave such that the total length of the leave does not exceed twelve (12) weeks. For example, if the employee has two (2) weeks of accrued leave and is eligible for a Family and Medical Leave Act leave, the employee will receive twelve (12) weeks of leave - 2 paid and 10 unpaid.

(3) An employee seeking leave due to the serious health condition of the employee, the employee’s spouse, domestic partner (as defined in paragraph 7 below),
child (including adopted child) or parent should complete a physician's statement a copy of which is available at the Human Resources Department.

(4) Upon an employee's return from Family Medical Leave Act leave, when appropriate in the determination of the Agency, the employee must present to the Human Resources Department a written authorization from the doctor stating that he/she is able to return to work. The employee will not be allowed to return to work without written authorization.

(5) Upon return from the leave, the Agency will place the employee in the position the employee held prior to the leave or in an equivalent position for which the employee is qualified.

(6) During the leave, an employee must inform the Human Resources Department (at least once a month) of his/her status.

(7) Effective May 1, 2008, the Agency shall extend the equivalent of this FMLA leave to Certified Domestic Partners of eligible employees who qualify under the eligibility and other requirements and rules and regulations issued currently and from time to time by the State Department of Civil Service or similar State authority concerning eligibility of domestic partners for health and dental insurance benefits.

ARTICLE 25 - JURY DUTY AND MILITARY LEAVE

Except for travel expenses, payment from the Court shall not be requested by the employee, but if made shall be endorsed by the employee over to the Agency. Notwithstanding anything to the contrary contained in this Article 25 paragraph A, in order to be entitled to excused time with pay for jury duty as

**ARTICLE 26 - ABSENCE - EXTRAORDINARY CIRCUMSTANCES**

An employee who has reported for duty and, because of extraordinary circumstances beyond his or her control, other than those related to weather conditions, is directed to leave work shall not be required to charge such directed absence during such day against leave credits.

In cases where a final accounting of travel expenses has not been obtained, any outstanding advances (including train, airline, or rental car charged to the Agency) will be deducted from the employee's final paycheck.

E. Meals and Lodging. The Agency agrees to reimburse employees for the cost of reasonable and necessary lodging, meal and transportation expenses actually incurred while in Travel Status (as hereinafter defined) for official business purposes.

(1) Travel Status. Travel status entitling an employee to reimbursement for meals or personal phone calls ("Travel Status") shall be defined as Agency approved travel outside of the City (New York City consists of all five boroughs). Travel Status commences upon departure on the trip from either the employee's home or office, as the case may be, and concludes upon return to either the employee's home or office. An employee is in Travel Status throughout the interim period except that Travel Status
shall not include any period of time during which the employee detours from the Agency's business.

(2) Employees who are in Travel Status are allowed a maximum of $55.00 per day for meals. Maximum reimbursement will be allowed only with respect to any days when the employee is in Travel Status before 8:00 a.m. and after 7:00 p.m. ("Full Day" travel).

ARTICLE 38 - GRIEVANCE PROCEDURE

A. Definition of a Grievance. A grievance is a dispute concerning the interpretation, application, or claimed violation of a term or provision of this Agreement. Other disputes which do not involve the interpretation, application, or claimed violation of a specific term or provision of this Agreement, including matters as to which other means of resolution are provided or foreclosed by this Agreement or by statute or administrative procedures applicable to the Agency shall not be considered grievances.

B. Coverage and Representation.

(1) Every employee covered by this Agreement shall have the right to present a grievance utilizing the procedure described in this Article free from fear of discrimination or reprisal.

(2) The Union shall have the exclusive right to represent any covered employee, upon his or her request, at any stage of the grievance procedure, provided, however, an individual employee may represent himself or herself only in the processing of a grievance at the First and Second Stages of this Grievance Procedure.

(3) Only the Union shall have the right to initiate a grievance which involves more than one employee, which shall be initiated at the First Stage.

(4) The Agency shall have the right to initiate contract grievances against the Union at the Third Stage of the Grievance Procedure. If the matter is not resolved, the Agency may proceed to arbitration.

C. Grievance Steps. Prior to initiating a formal written grievance pursuant to this Article, an employee or the Union is encouraged to informally resolve disputes subject to this Article with the appropriate immediate supervisor.

(1) First Stage. The First Stage shall consist of the employee's presentation of a short, plain written statement of the grievance on a form provided by the Union and delivered to the appropriate Vice President not later than forty-five (45) calendar days after the date on which the act or omission giving rise to the grievance
occurred or, the date the employee first knew or should have known of its occurrence. The appropriate Vice President or designated representative shall meet with the employee and the Union, and shall issue a short, plain written statement of reasons for his or her decision to the employee and the Union not later than ten (10) working days following receipt of the grievance. No transcript of any such presentation or discussion shall be made. Group grievances shall be presented in the first instance at the First Stage.

(2) **Second Stage.** If a grievance is not satisfactorily settled at the First Stage, the employee may request a review and determination thereof by the Agency President or his or her designated representative within ten (10) working days of receipt of the First Stage determination. Such request shall be made in writing and filed with the Agency Director of Human Resources within said ten (10) working days. The Agency President or his or her designated representative shall meet with the employee and the Union for a review of the grievance and shall issue a short, plain written statement of reasons for his or her determination to the employee and the Union not later than twenty-eight (28) working days following receipt of the Second Stage grievance.

(3) **Third Stage.** In the event the grievant does not accept the disposition of the grievance obtained in the Second Stage, the Officers of the Union or their designated representatives shall meet and confer with the Agency President or his or her designated representative in an attempt to resolve the dispute.

(4) **Fourth Stage.** In the event a grievance is not disposed of at the Third Stage, it may be referred by either the Union or the Agency to arbitration pursuant to CPLR Article 75 within ten (10) working days, or such longer or shorter time agreed to in writing, after the Third Stage conference. Such referral shall be made by written demand for arbitration served upon the other party in the manner set forth in this Article. The arbitration shall be before an impartial arbitrator obtained from a panel of arbitrators whose names are maintained by the Public Employment Relations Board.
(a) The demand for arbitration shall identify the specific provision of the Agreement alleged to have been violated; provide a short, concise statement of the grievance; identify the employee or employees covered by the grievance; set forth the remedy sought; and provide any further information required by CPLR Article 75. The method of selection of the arbitrator from the panel for a particular case shall be by agreement of the parties or, failing agreement, by the procedures then in effect for such selection by the New York Public Employment Relations Board.

(b) The parties agree that the arbitrator shall have no power to add to, to subtract from or to modify the provisions of this Agreement. The arbitrator shall confine his or her decision and award solely to the application and/or interpretation of this Agreement. The arbitrator shall confine himself or herself to the precise issue or issues submitted to him or her.

(c) Hearings shall be conducted in accordance with the requirements of CPLR Article 75 and any current written rules and procedures governing grievance arbitration issued by the Public Employment Relations Board. The decision of the arbitrator shall be final and binding and otherwise in compliance with the requirements of CPLR Article 75.

D. Procedures Applicable to Contract Grievance Steps.

(1) No transcript is required at any Stage. However, either party may at its own expense obtain a transcript at arbitration and shall furnish a copy to the arbitrator and the other party, provided the other party agrees to pay its pro rata share of the cost of the transcript.

(2) Failure of the Agency to meet deadlines specified herein shall permit advancing the matter to the next Stage, unless such deadline is waived by mutual agreement between the Agency and the Union. Failure of the grievant or the Union to file an appeal within the time limits specified shall be deemed to be a settlement of the
grievance unless such time limit is waived by mutual agreement between the Agency and the Union.

(3) A settlement of, or an award upon a grievance may, or may not, be retroactive as the equity of each case may demand, but in no event shall a resolution be retroactive to a date earlier than thirty (30) days prior to the date the grievance was served upon the other party or the date when the act complained of occurred, whichever is the later date.

(4) A settlement shall constitute precedent only if the President of the Union and the Agency President agree in writing that such settlement shall have such effect.

(5) All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case.

(6) All contract grievances, appeals, and responses shall be sufficient if submitted by personal service or regular mail. Demands shall be served by personal service, United States registered or certified mail, return receipt requested, and otherwise in accordance with CPLR Article 75. All time limits set forth in this Article shall be measured from the date of receipt.

(7) For the purpose of this Article, working days shall mean Monday through Friday, excluding holidays.

ARTICLE 39 - PROBATIONARY PERIOD

All new employees shall serve a ninety (90) day probationary period during which the employee may be discharged, with or without cause, and shall not have the right to
challenge that discharge under the applicable provisions of this Agreement. The Agency shall have the right to extend such probationary period, in its sole discretion, for a period of an additional thirty (30) days. An employee must be employed by the Agency for at least six (6) months before the employee can apply for a posted vacancy.

**ARTICLE 40 - RESIGNATION AND DISCIPLINE**

   B. No employee shall be required to submit to interrogation concerning alleged misconduct before a service of notice of discipline or a request for resignation, or after a notice of discipline has been served upon him or her, unless such employee is notified in advance, in compliance with the provisions hereinafter set forth, and afforded the opportunity of having a Union representative present, and apprised in writing of all rights as provided herein.

   C. No employee shall be requested to sign any statement regarding incompetence or misconduct unless a copy of the statement is supplied to the employee; any statements or admissions signed by such employee without his or her having been supplied a copy may not subsequently be used against such employee.

   D. No recording devices or stenographic or other transcript shall be used during an interrogation unless, the employee is advised in advance that a transcript is being made; a copy of such transcript shall be thereafter supplied to the employee.

   E. In all disciplinary proceedings, the employee shall be presumed innocent until proven guilty, and the burden of proof on all matters shall rest upon the employer. Such
burden of proof, even in serious matters which might constitute a crime, shall be a fair
preponderance of the evidence on the record and shall in no case require proof beyond
a reasonable doubt.

F. An employee shall not be coerced, nor be intimidated nor suffer any reprisals
either directly or indirectly that may adversely affect such employee’s hours, wages or
working conditions as the result of the exercise of rights under this Article.
Reassignment to other responsibilities, close supervision or like measures pending
disposition of disciplinary charges effectuated by the Agency for good faith reasons shall
not be considered to violate this paragraph.

G. If an employee has requested representation pursuant to this Article, and
representation is not provided within a reasonable time, the interrogation, signing of a
statement or resignation, or as the case may be an Arbitration or hearing may proceed
without such representation.

H. Any notice provided to any employee shall be simultaneously provided to the
Union.

II. Resignation.

A. An employee who is advised that he or she is alleged to have been guilty of
misconduct or incompetence and is therefore requested to resign shall be given such
request in writing together with a statement stating:

(1) An employee has a right to consult a representative of the Union or
an attorney before executing a resignation, and a reasonable period of time will be
afforded for such purpose;

(2) An employee may decline the request to resign and, in that event, a
notice of discipline must be served before any disciplinary action or penalty may be
imposed pursuant to the procedure provided in the Agreement between the Agency and
the Union;
(3) The disciplinary procedure may result in a hearing;

(4) In the event a notice of discipline is served, an employee has the right to object to such notice by filing a grievance;

(5) An employee has the right to representation at every step of the grievance procedure; and

(6) An employee has the right to refuse to sign a resignation and that refusal cannot be used against the employee in any subsequent proceeding.

B. A resignation which is procured in a manner inconsistent with this procedure shall be null and void.

C. A written resignation, once submitted by an employee, shall be irrevocable.

III. Disciplinary Procedure.

A. The disciplinary procedure shall be commenced by a notice of discipline as hereinafter provided.

B. Any act which may be performed by the President under this Article 40 may be performed by a designee of the President, which designation shall be in writing and a copy of which shall be provided to the Union in the same manner as set forth below for advising the Union of service of a notice of discipline. Such designee may be an employee of the Agency, but shall (to the extent possible) not be the direct supervisor of the employee sought to be disciplined, nor (to the extent possible) shall such designee have any personal involvement in the acts leading to the notice of discipline.

C. The President may seek the imposition of a written reprimand, suspension without pay, a fine not to exceed .9% of annual base salary, reduction in band, demotion, dismissal from service, or a probationary period of up to one year where any reoccurrence, during probationary period, of the conduct charged may result in termination from employment without further proceedings. Only employees covered by paragraph J hereof affecting employees in Bands I-V of the SONYMA Pay Plan shall
have the right to have such determination reviewed by the original arbitrator solely for a
determination of whether the alleged conduct actually occurred.

D. Notice of such discipline shall be made in writing and served upon the
employee by registered or certified mail at the home address of the employee or by
personal delivery at such address or such other place as the employee may be found.
The notice shall specify the reason for disciplinary action, including a brief statement of
the conduct forming the basis of the disciplinary action and the proposed penalty.

E. The Union shall be advised, by registered or certified mail to the Union
address set forth above or by personal delivery to an officer of the Union, that the notice
of discipline has been served.

F. Where service is by personal delivery, it shall be deemed complete upon
delivery. Where service is by certified or registered mail, it shall be deemed complete
upon the earlier of (1) delivery as reflected by the return receipt; (2) giving of the first
notice by the Postal Service as reflected by notation upon the envelope upon its return to
the Agency; or (3) ten (10) calendar days after mailing to the last home address on file
with the Agency.

G. The notice of discipline served on the employee shall include a written
statement that:

(1) An employee has a right to object to a notice of discipline by filing a
grievance within the time limits applicable to the employee specified in this Article 40.

(2) The grievance procedure provides for a hearing.

(3) An employee is entitled to representation by the Union or by an
attorney at every stage of the proceeding;

(4) If an employee timely files and prosecutes a grievance, no penalty
can be implemented until a determination has been rendered at the final step of the
procedure. A copy of this Article will be supplied to an employee upon request made to
the Agency's Director of Human Resources.
H. A penalty may not be implemented (1) until the employee has failed to file a timely grievance; (2) until the employee has failed to file a timely appeal as provided below; or (3) until and to the extent that it is upheld by an arbitrator or the President/CEO at the final step of this procedure, as the case may be, or a different penalty is determined, or the matter is settled.

I. An employee may object to a notice of discipline by filing a grievance. Such grievance shall be in writing and shall state that the employee objects to the notice of discipline, whether such objection is only to the penalty proposed and whether a hearing before the President is requested. It shall also state the nature of the objection. Such grievance shall be served upon the President by registered or certified mail at the Agency's address set forth above or by personal delivery to the Human Resources Department. Where service is by personal delivery, it shall be deemed complete upon delivery. Where service is by registered or certified mail, it shall be deemed complete upon mailing. Where service is by any other means, it shall be deemed complete only upon receipt.

J. Procedure For Employees in Bands I - V (Or Their Successors) Only. The following procedure set forth in this paragraph J shall apply only to disciplinary actions brought against employees holding titles or positions set forth in Bands I-V of the Pay Plan attached hereto as "Exhibit 2".

(1) The notice of discipline may be the subject of a hearing before the President, provided such hearing shall be requested by the employee within ten (10) working days of completion of service of the notice of discipline. Such decision shall be served in accordance with paragraph D hereof, and the Union shall be notified in accordance with paragraph E hereof.
(2) If the disciplinary grievance is not resolved, it may be appealed to independent arbitration by serving a notice thereof upon the President in accordance with paragraph I hereof within ten (10) working days of service of the President's or designee's decision.

(3) The disciplinary arbitrator shall hold a hearing as soon as practicable after selection, and a decision shall be rendered within thirty (30) working days of the date of the hearing.

(4) Disciplinary arbitrators shall confine themselves to determinations of just cause for the disciplinary action. Disciplinary arbitrators shall not add to, subtract from, nor modify the provisions of this Agreement. The disciplinary arbitrator's decision shall be final and binding upon the parties, and the disciplinary arbitrator may approve, disapprove or take any other appropriate action warranted under the circumstances, including, but not limited to, ordering reinstatement and back pay for all or part of any period of suspension. If the disciplinary arbitrator, upon review, finds probable cause for the suspension, he or she may consider such suspension in determining the penalty to be imposed. The disciplinary arbitrator is not restricted by the limits on penalties which may be proposed by the Agency. He or she shall have full authority, if the remedy proposed by the Agency is found to be inappropriate, to devise an appropriate remedy including an increase or decrease in the penalty sought by the Agency, but limited to a penalty which the Agency could have proposed.

(5) The disciplinary arbitrator shall confine himself or herself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted nor shall he or she submit observations or declarations of opinion which are not essential in reaching the determination.

(6) The disciplinary arbitrator shall be selected in accordance with the arbitration provision of the Grievance Procedure.
K. Procedure For Employees Not in Bands I - V (Or Their Successors) Only.

The following procedure set forth in this paragraph K shall apply only to disciplinary actions brought against employees holding titles or positions set forth in salary bands other than Bands I-V of the Pay Plan attached hereto as “Exhibit 2”.

(1) The notice of discipline may be the subject of a hearing before a hearing officer, provided such hearing shall be requested by the employee within ten (10) working days of completion of service of the notice of discipline. Such hearing shall occur within ten (10) working days of service of the request, and a written non-binding recommendation to the President/CEO shall be rendered by the hearing officer within five (5) working days of such hearing. Such non-binding recommendation of such hearing officer shall be forthwith forwarded to the President/CEO; a copy served on the employee in accordance with paragraph D hereof; and the Union shall be notified in accordance with paragraph E hereof.

(2) The recommendation of the hearing officer shall be reviewed by the President/CEO of the Agency as soon as possible. The President/CEO, in his or her sole discretion, may accept, reject or modify the recommendation of the hearing officer and render a final written determination. The determination of the President/CEO shall be final and binding upon all of the parties.

(3) In lieu of proceeding directly to the hearing officer pursuant to subparagraph K (1) above, an employee may within five (5) working days of completion of service of the notice of discipline, request in writing an informal hearing with the Chief Operating Officer of the Agency or his/her designee. Such hearing shall be held within five (5) working days of receipt of the request by the Agency, and a written decision shall be served on the employee in accordance with paragraph D hereof, and the Union shall be notified in accordance with paragraph E hereof. The employee shall have five (5) working days from service of the decision of the Chief Operating Officer or his/her designee to request in writing a hearing before the hearing officer pursuant to paragraph
